THE FIVE

Helping anyone and everyone become a follower of Jesus by encouraging, equipping and empowering families.

Go | Matthew 28:16–20; Luke 5:1–11 (ESV)

Notes

Next Steps

*“Love the Lord your God with all your **heart, mind, soul and strength** and your **neighbor as yourself**” (Luke 10:27; Mark 12:30–31).*

- Think about the people who helped you discover who Jesus is. Take some time this week and thank God for them. If you can, reach out to them and share your gratitude personally.
- Read Luke 5:1–16 and reflect on what it means to follow Jesus as a disciple/apprentice.
- The Great Commission sends us out to disciple the “ethnicities” —people that look, speak, think and live differently than we do. Spend some time in prayer asking God to expand your heart towards the “nations.”
- Peter literally had to walk away from his boat and nets to follow Jesus. What needs to change in your life so you can disciple disciples?
- Disciples disciple; invest your life in the life of another so that through you they might catch a glimpse of Jesus.

Mother or not ... welcome to the FIVE! We're glad you've joined us tonight! We hope your spirit is lifted, your kids are engaged, and the entire service is a gift to you. And, if you're new, we please stop by the Connect Table at some point to say hello.

Tonight we tackle the second part of a new message series called AS YOU GO. It comes from what we call "the Great Commission"—Jesus' final charge to his disciples. We'll consider the fact that discipleship is both a *process* and a *product*; it is the life we live as well as what we hope to lead others into. But the simple truth is, we cannot lead others where we have not been and we cannot model what we do not practice. If we are going to disciple the nations, we must first and foremost be disciples of Jesus ourselves. To do this, we must break away from our current trends and norms and reclaim Jesus' vision of what it means and what it costs to faithfully follow Jesus as disciples.

Thanks again for being here! Let us know if you need anything!

Peace, *Pastor Bobby*

P.S. We created a photo spot between the buildings so you can get some good pictures with your family tonight!

300 Seconds

(Take five minutes to talk with your kids about tonight's children's ministry lesson)

Tonight we looked at Samuel 21–22. David is on the run from King Saul and escapes to the town of Nob where he asks the priest Ahimelek for help. Ahimelek asks some questions, but instead of telling the truth, David spins a tale that ends up getting Ahimelek killed. David found out the hard way that lies have severe consequences.

BOTTOM LINE: *When you're not truthful, you hurt others.*

We often think that if we lie, we're only helping ourselves get out of trouble or get something we want. But lies have consequences. The effects of our lies can extend far beyond ourselves to the people we lie to or lie about. We pray that kids will realize that telling the truth keeps everyone from experiencing unnecessary pain.
