Tonight's Message: Hasn't Science Disproven God?

Scripture: Psalm 104:1, 5-24, Genesis 4:1-8

NOTES

WELCOME to The FIVE

Thanks for being with us as we worship together!

Tonight we continue our series of messages looking at some questions that keep people (including us) from living out our faith fully and freely. We hope to explore enough to be better grounded in our understanding and to be equipped to gently respond to the questions of others with substance and truth.

For years now, more and more scientists have claimed that scientific advancements have effectively killed our need for God. Faith, religion and especially Christianity are treated as antiquated superstitions no longer fit for our highly educated and advanced minds... at least, that's what some claim. But it is true? Has science really killed our need for God? One of the things we must remember is that in much the same way a Christian can say or do something that has nothing to do with Jesus, scientists can say and do things that have nothing to do with science. Science has limits. While science is great at wrestling with 'how', it lacks the capacity to effectively address the 'why'. Rather than being enemies seeking to end each other, Christianity and science would be better viewed as siblings, related but different, who are uniquely capable of addressing questions the other is less suited to address. In this light, science is not an enemy to be feared and faith in God is not a weakness to be abandoned—they are two beautiful gifts we can employ to better understand God, the world and our role within it.

Go and love the Lord your God with your whole heart and your whole mind for the glory of God and the sake of the world.

Thanks for joining us! If you have any questions, need prayer or would like to learn more about the church, please stop by the Connect Table after service.

—Pastor Bobby

Talk-back Time

During this series, there will be a brief talk-back time after service with Pastor Bobby (in the chapel). Bring any questions, comments, or thoughts that come up for you on the question we are discussing. Childcare not provided (bring the kids after picking them up from their classes).

THIS WEEK'S TOP ANNOUNCEMENTS

Here's what you need to know right now...

9.7 Community Table—Come build community with the people you worship with by joining us for dinner tonight immediately following service in the Community Room at the IHOP in Oviedo (17 Alafaya Woods Blvd, Oviedo FL 32765)

Help for the Bahamas—While we hope to become a drop off site for supplies in the coming weeks, all of our contacts have said the most helpful way to support the Bahamas right now is through financial support and prayer. Financial donations will go to UMCOR (United Methodist Committee on Relief) which is on the forefront of disaster relief in the affected areas. Giving can be done via checks (made out to UCUMC) or the app, with "Bahamas Relief" noted in the memo line on both. Proceeds from the upcoming missions fundraiser (Totes, Tools and Jewels) will now go toward relief work in the Bahamas as well.

Learn about the Bible—Emmaus Ministries at Canterbury Retreat Center (Oviedo) is offering a 7-week course on the Old Testament, open to anyone interested in learning more about the Bible. This is the first part of a two-part Biblical Narrative Series which tells the story of the Bible through a 7-week overview of the Old Testament (fall) and New Testament (spring). No experience or outside assignments required. Course runs Sept. 23–Nov. 4 on Mondays, 6:30–8:30 PM. Cost: \$50 online OR \$75 at the door (includes workbook). Register at <http://emmausbibleministries.org/narrative>.

Wednesday Nights—Come grow in faith and community over dinner and small group discussion about big questions many people have regarding Christianity and faith. Homemade dinner from 6:15–6:45 PM (\$5; \$3 salad bar only; free for college students. RSVP in advance on the app or online); study and small group discussion from 6:45–8 PM. Next week (9/11), we'll discuss the question, "Why am I having so many problems?" **Kids and youth programs are also back from 6–8 PM.**

9.20–22 Missions Fundraiser—Donate your gently used jewelry, purses, and tools to help raise money for Redemption Village, Jackie's House, ISO Jail Ministry and now BAHAMAS RELIEF work through the Totes, Tools and Jewels Fundraiser (September 20–22). **Donations are still needed!** Contact Lisa Castlain at 407.461.1784 to coordinate drop off. Tickets to the Friday evening Sip & Stroll are for sale at the front desk in the lobby. Some of the night's auction items will include His & Hers 14' Kayaks, experiences with local media and sports teams, and more.

University Worship—Fall semester classes (for grade 6 to adult) in guitar, keyboard, bass, percussion and vocals begin September 9. Students meet weekly (Mondays, 6–8 PM) for general sessions, worship, and group instrument training. See UniversityWorship.com for details and registration/application.

Kids' Faith Questions

Kids have faith questions, too. Here's one you might hear—and how you might answer in a way that gives you a chance to have a conversation.

What Is Heaven Like?

Scripture Reference: Revelation 21:10–27

It shone with the glory of God, and its brilliance was like that of a very precious jewel, like a jasper, clear as crystal. It had a great, high wall with twelve gates, and with twelve angels at the gates.

ANSWER/DISCUSSION:

The description of the Holy City gives us great insight into Heaven. The Bible tells us that the streets will be made of gold, fine jewels are crafted in the the foundation and best of all Jesus is there. He promises to prepare a place for us that where He is there we will be also.
